

Kaohom km-302 Sound bar Specifications

Group	Item	Description
Connectivity	Type	Input / output source and others
Digital input	Optical input	x1
	Coaxial input	X2
	USB 2.0 OTG / USB speaker	x1
Analog input	Stereo aux-in	x1 ϕ 3.5 jack
	Bluetooth 4.0	High quality sound and good connection ability Enhanced transmitting ability for longer distance and stable signal quality
	FM stereo receiver	Supports Europe / Japan bands
USB	Storage size	Up to > 32G (FAT 格式)
	Music format	Supports MP3, WMA, APE, FLAC, WAV
Speaker	Woofer Midrange	3" 8 Ω x 2, complex plump membrane, rubber edge
	Tweeter	1" soft dome 4 Ω x2
System performance	Output power	25W (Max) x 2 (Class AB)
	Distortion	<%0.1 @ 18W/ch
	SNR	>89dB @ digital input >86dB @ analog input
	Frequency response	55~25k Hz
	Crossover frequency	3k Hz
	Audio engine	24-bit precision DSP engine
	Sound effect processing	4 modes presets for user room alignment: Music, SOFT, FLAT, SPEECH
	Tone control	Treble / Bass control +/-12dB 2dB/step
Configuration	Power down	AUX IN, OPTICAL, COAXIAL, USB, BLUETOOTH inputs will be auto power down after the sources w/o data streaming at 30 min long
	Remote control unit	9-keys pad combination for easy and full system functionality
	6-digits LED display	16-segment yellow green color LED at the center front One key display flipping function for sound bar upside down installation

	Standby power	<0.2W meets DOE Level VI
	System body material	Aluminum with surface drawing
	Installation	Table stand, wall mount
	APP support for mobile device	Android iOS
Dimensions	Sound Bar	100 x 10 x 8 cm
	Packaging	107 x 18 x 17 cm
Weight	Total	4.75kg
